Dear Leader,

Please join us for our 35th biannual Corporate Affiliates workshop in Phoenix on January 24 and 25. [Enroll now](#) to secure your spot. We have 15 available seats remaining.

The [attached list](#) of 50 confirmed participants will give you a sense of the leaders enrolled for this ongoing learning network. These include board members, heads of sustainability, VPs, and CEOs from firms ranging from **Toyota**, **Newmont**, and **CN** to **FedEx**, **Ingersoll Rand**, and **Merck**. We welcome you to experience the engaging peer-to-peer discussions through interactive panels and insightful presentations.

Workshop themes:

- Competing on Sustainability
- Emerging Issues—Using Market Power to Influence Supply Chains: Intended and Unintended Consequences and Implications
- Delivering on the Bottom Line
- Corporate Leadership

Here is a sample of comments we recently received from past workshop participants:

- “What we learn can’t be found in literature, or in an academic environment. We get thoughts on current issues from a broad perspective of people and industries. If your job is thought leadership, these meetings are fuel for you.”
- “Participating in AHC Group workshops is relevant to now, while thinking about the future. We hear the practical application of ideas from other leaders.”

The [attached agenda](#) details the exceptional presentations by executives from **Boeing**, **DuPont**, and **Walgreens Boots Alliance**, among others. Please feel free to share the information with colleagues.

We invite you to enroll in our mix of leaders at the \$2,695 rate for non-affiliates. If you find value in our leader-to-leader exchange, we credit this rate towards the annual \$12,500 membership. Affiliate members are encouraged to attend under their current membership. **Please RSVP by January 5** to Marti@ahcgroup.com.

Yours,

Bruce Piasecki
President and Founder

P.S.: Please inquire about our April 17–18 Energy Competitiveness Workshop to be held at Toyota’s headquarters.
